Although DOGS SA has eased the restrictions ALL members and affiliates are to comply with all SA Government directions in relation to COVID 19 and social distancing. Listed below are a number of links which may assist members and affiliates on what their responsibilities are.

It is not the intent that the DOGS SA office police these restrictions and should there be breaches of the restrictions DOGS SA council will have no hesitation in reinstating them.

DOGS SA Council will continue to monitor the SA Government advice on restrictions imposed by the COVID 19 epidemic and will adjust it's restrictions accordingly.
